

Connected Learning Community Award

APPLICATION/NOMINATION FORM

COLORADO SCHOOL OF MINES
EARTH ● ENERGY ● ENVIRONMENT

The Connected Learning Community Award for Administrative Faculty Excellence seeks to recognize those Administrative Faculty members who exemplify the model of individual work for the common good of the institution.

Successful nominations will emphasize the nominee's habits of experimentation, hands-on and active learning, and intentional forging of connections across campus that reach beyond the scope of their everyday job duties. Exceptional nominees strive to be lifelong learners who inspire both their mentors and peers. They seek to move beyond individual goals to capture the strength inherent in common cause and collective purpose.

For more information about previous recipients of the Connected Learning Community Award, please visit: afc.mines.edu

Please submit completed form by 12:00pm on Wednesday, April 12th to Lisa McDowell at lmcdowel@mines.edu.

Nominee Information

Name: _____

Department: _____

Campus Phone: _____ **E-Mail:** _____

Nominator's Name: _____

Please answer the following question:

How has this person demonstrated or modeled in his/her work at CSM the concepts of the Connected Learning Community? You may attach supporting documentation to this application. Please limit your nomination to one page, if possible.
